

# Alberta Golf Volunteer Checklist

## Getting Started

Thank you for taking an interest in volunteering for Alberta Golf. The following are things you can do to get started:

- ✓ Fill out the Volunteer Questionnaire (application form)
- ✓ Obtain two written reference letters

Following a screening of your application and references, a member of the Nominating Committee will be in personal contact with you to discuss your application and volunteering opportunities with Alberta Golf. Volunteer questionnaires are reviewed in the autumn (September-October) prior to the AGM.
