Canada Games Training

April 8th – 12th

The Canada Games Prospects and coaches gathered at the Wigwam Golf Resort in Phoenix AZ for an early season tournament preparation camp and to compete in an IJGT tournament. The week turned out to be a enormous success with some great information being passed on from Alberta's Coaches, Randy Robb, Grant Cammidge and Kent Fukushima. The main focus of the event was to get involved in some early season competition and to develop professional habits in preparing for a golf tournament. April 9th and 10th were spent mapping and discussing the Wigwam's difficult Gold Course followed by evening instruction and practice. April 11th and 12th saw the juniors compete in the International Junior Golf Tour followed by tournament discussion. One of the highlights of the trip was a visit to the Arizona State University to watch the Thunderbird Invitational, a competition between some of the top Universities in North America.
